The grievance of the petitioner in this writ petition is that although his application for regular permit has been granted, the permit has not been issued after settling the timings.

2. The learned Government Pleader submits that several previous applications submitted for settling the timings are pending and therefore, the petitioner's timings can be settled only in accordance with priority.

3. Having heard both sides, I dispose of this writ petition directing the first respondent to convene a timing conference and to settle the timings in accordance with the priority of grant of regular permit.
